Subject: 2023-2024 Fulbright-Nehru and other Fulbright Fellowships for study, research, teaching, and professional development in the U.S.

Sir/Madam,

As you are aware that the Fulbright Program is the flagship international exchange scholarship program between the U.S. and 155 countries. It is supported by the U.S. Congress and partner governments worldwide. In India, Fulbright-Nehru and Fulbright-Kalam fellowships are jointly funded by the Government of India and the Government of the United States of America and administered by the United States-India Educational Foundation (USIEF).

USIEF has announced its annual competition for the 2023-2024 Fulbright-Nehru, Fulbright-Kalam, and other Fulbright Fellowships for Indian citizens. The Fulbright-Nehru fellowships offer students, faculty, and professionals the opportunity to study, teach, and conduct research in a wide variety of academic and professional field. The application deadlines begin May 16, 2022. USIEF expects to offer approximately 100 Fulbright-Nehru Fellowships to Indian applicants.

A brief outline of the fellowship programs is provided in the attached flyer. Details about the eligibility requirements, application process and guidelines are available at the USIEF website www.usief.org.in . Please publicize the Fulbright fellowship opportunities through your webportal and news bulletin etc. and encourage prospective candidates to apply. If you have any questions, you can write to USIEF staff at ip@usief.org.in .

Regards
