Sub: Implementation of AICTE Student Learning Assessment –PARAKH project in the AICTE Approved Institutions

The Student Learning Assessment -PARAKH is an initiative to bridge the gap between academics and industry by providing a platform for self-assessment of Learning Outcomes and 21st Century Life Skills acquired by students. **It is an Assessment portal not an examination** and the students are expected to register on the portal developed by AICTE for gauging their academic, social, cognitive, critical and behavioural development during their course of study.

AICTE expects that Student Learning Assessment (PARAKH) unified portal reaches to every student of India so that this initiative will fill the gap between technical, professional and industry needs. In PARAKH MCQ's in Engineering, Aptitude, Management & Emerging areas has been prepared by the prominent academicians with the help of industrial tie-ups and Ed-tech companies.

PARAKH unified Portal was launched on 7th January 2022 by Secretary Higher Education, MoE-Government of India, for all AICTE approved institutes. Utilizing the PARAKH, social relevance goals will be identified and corrective measures be taken at appropriate level students and faculty members will improve their knowledge and strength in the field of creativity, reasoning, innovation, decision building in their core technical skills and higher order thinking skill.

It is requested that the Institutes and their faculty members will participate in AICTE Student Learning Assessment-(PARAKH) and motivate the students to take the assessment for their better future and maximum utilization of this unique assessment portal.
