**All Directors/ Principals of AICTE Approved Institutions,**

**Subject: Linking of academic awards to Digi locker-Reg.**

Sir/Madam,

We would like to inform you that Ministry of External Affairs, (MEA) Government of India has launched a portal called **e-Sanad** which is a centralized platform for online document verification/attestation/apostille service for Indian citizens. It is stated that the e-Sanad portal also provides attestation/apostille service in respect of Indian degrees/diplomas/certificates for their use abroad. The documents available on National Academic Depository (NAD) and Digilocker are verified online through e-Sanad.

In order to facilitate the provision of efficient, fast and contact-less attestation/apostille work related to educational documents online through e-Sanad, MEA has stressed the urgent need of linking the academic awards of educational institutions, universities, school boards etc. to Digilocker as early as possible.

All AICTE approved institutions are requested to upload data of academic awards of their institution with Digilocker.

The contact detail of the authorities of Digilocker and UGC-NAD are as given below:-
